Vinod Kumar Pal

PROFESSIONAL SUMMARY

- Over **7+ years** of experience in designing, develop software, and Unit Testing n - Tier Client/Server Web-based Applications using **Microsoft .NET Framework** and **Ms Sql Database** with **Agile** and **Waterfall** Development Methodology.
- Hands-on experience in domains like Banking, Insurance,Telecom and have the strong analysis.
- Expert in Microsoft Technologies like **C#**, **ASP.NET 5.0/4.5/4.0**, **MVC 5.0/4.0**, **Entity Framework** , **ADO.NET**, **SQL Server, Web API RESTful Services Software development Life Cycle (SDLC), Design patterns**
- Expert in developing data layer using Entity Framework, ADO.NET, and LINQ with Technical Specifications.
- Strong experience in developing **SQL** queries, functions, stored procedures, triggers, and views.
- Excellent experience in Object-oriented Design (**OOPS)** and **Programming Skills .**
- Data Binding using jquery and JavaScript templating programming.
- Experience in designing and implementing **Single Page Application** with **Angular**.
- Experience in version control with **Git & SVN**
- Ability to learn & develop using new technologies quickly.
- Ability to take and give directions, instructions and provide assistance through completion of tasks for project management and work in parallel programming.
- Knowledge on the Cloud technology - Azure cloud computing

Work Experience

Currently Working: Harman Connected Services	Technical Lead - Product Develpment	Since 12/21 to present
Previous Working : Capgemini Information Technology & Services	Consultant	Since 03/20 to till 12/21
Previous Working : Ideaplunge Solutions LLP	Application Developer	Since 03/19 to 02/20
Previous Company : EvolutionCo Digital & interactive Consultancy Pvt. Ltd.	Dot Net Developer	Since 12/17 to 02/19
Previous Company : Softage Software Solution Pvt. Ltd.	Junior S/W Developer	Since 07/16 to 11/17

ACADEMIC QUALIFICATIONS

Examination	Session	Aggregate (%)	Board/University
M.C.A - Computer Science	07/11 -05/14	70.00%	Sathyabama University, Chennai
B.C.A - Computer Science	07/08- 06/11	65.00%	Dr. VSICS Kanpur

TECHNICAL SKILLS	
Front-End Languages/Scripts	HTML, CSS , JavaScript, Jquery, Bootstrap, Angular , TypeScript
Framework	MVC, ADO.Net , Web API, #, Entity Framework Core, LINQ, .Net Core, Microservices, Kibana, Signal R
Languages	C#
Database	SQL Server
Operating Systems	Window 7, 8,10

PROJECTS #1

Title   **HeartLand InfoCentral - (Global Payments)**

Project Type   : Web Application
Organization   : Capgemini
Environment   : .Net CoreWeb API, Microservices, C#, Entity Framework Core, LINQ , Angular 8, RabbitMQ

Synopsis   : InfoCentral is a web application for the Global payments client which we developed based on the software requirements. This application is used by Merchants to handle to transaction. When any transaction happened then merchants can see that transaction in the application. Admin can create a new merchants and merchants can edit, update, view the account. Merchants can validate the transaction by week, month and year. They can process the batch of the transaction

PROJECTS #2

Title   **P&G India (DMS)**

Project Type   : Web Application
Organization   : Ivy Mobility Solutions Ltd
Environment   : Asp.Net MVC, C#, LINQ , Bootstrap, Jquery, Web API

Synopsis   : P&G India is a web application for the P&G client. P&G is biggest FMCG distributor across India. This application is for the distributor where distributor is uploading the details like - product details, user details, route details of the user, retailer details etc with Electronics Engineering device. And seller is going to sell the product to the retailer according to their route plan.

PROJECTS #3

Title   **Travel Insurance**

Project Type   : Web Application
Organization   : Allianz worldwide partner
Environment   : Asp.Net MVC , C#, SQL Server 2014, Jquery, Web API

Synopsis   : Travel Insurance is a Web Based Software with responsive UI design where Allianz partner sells the travel policies to the customer . Travel insurance can usually be arranged at the time of the booking of a trip to cover exactly the duration of that trip, or a "multi-trip" policy can cover an

unlimited number of trips within a set time frame. Some policies offer lower and higher medical-expense options; the higher ones are chiefly for countries that have high medical costs, such as the United States. It includes many module like - Partner Registration, Sale policy, Extend policy, Endorse policy, cancel policy, reports, notification, e-mail etc.
We Design and Development the application based on Software Design and controls.

PROJECTS #4

Title   **Hyundai B2B2C** (Business to Business to Customer)

Project Type   : Web Application
Organization   : Allianz worldwide partner
Environment   : Asp.Net MVC, C#, SQL Server 2012, Bootstrap, JQuery

Synopsis   : **Hyundai B2B2C** is a web application where Hyundai Dealer sells the Allianz policies to the customer with Specifications . When customer buy a Hyundai car that time dealers sells a Allianz policies to the customer. It includes many module like - Dealer Registration, Sale policy, manage policy, reports, notification, mail etc.

PROJECTS #5

Title   **INC (Indian National Congress)**

Project Type   : Web Application
Organization   : Softage Information Technology Ltd.
Environment   : Asp.Net, C#, Jquery, SQL Server 2012, Bootstrap

Synopsis   : **INC** is a web based application which was created for **INC** Client where user do the entry of members who wants to become a member of **INC**. I developed many modules and procedures of this project like Entry page, Audit page, reports etc.

PROJECTS #6

Title   **Teledoc Management System**

Project Type   : Web Application
Organization   : Softage Information Technology Ltd.
Environment   : Asp .Net 4.0, JQuery, Sql Server.

Synopsis   : **Teledoc** is a major project of client **Vodafone**. it includes many modules like Pickup Entry, Form Audit, Form Entry , Reports. This project is for Telecom Company Data Entry. This ASP.NET web application is going on in my current company with Technical Specifications. I developed many modules and procedures of this project like Infra Checklist, Teledoc Impact Report, Distributor Creation, etc. . . .

STRENGTHS

- ❖ Prompt and Sincere.
- ❖ Willingness to learn and accept the challenges.
- ❖ Positive attitude towards life.
- ❖ Believe in discipline, honesty and team work.
- ❖ Time management.
- ❖ Quick learner.

PERSONAL DETAILS

Sex   : Male
Nationality   : Indian
Marital Status   : Married
